

Series Products

Sewing machines used for the 900 series were the [Bernina aurora 440 Quilters Edition](#) and the [Bernina artista 640 with Embroidery Module](#). For patchwork projects we used the Bernina #37 patchwork presser and the new #57 foot. Koala Cabinets provided the sewing center. We wore a [Klutz Glove](#), a cut-resistant safety glove, while rotary cutting, used an [Oliso Iron](#) for pressing, and used [Omnigrid](#) and [Fons & Porter](#) rulers for measuring. In addition to the items listed on the following pages, we also used other basic sewing supplies (such as fabric, rotary cutters, scissors, and rulers).
